GENESIS

Kendriya Vidyalaya Sangathan Retired Employees Association, Bangalore chapter has completed 15 years of its existence. The members of the Association having served KVS- A Pace Setter in Education, for more than three decades, have acquired a vast experience in the areas of educational policies, pedagogical strategies, teacher training and school administration. Many of our members are freelance teacher-trainers and assist different schools in delivering quality education. Their initiative to put to use their expertise in the above areas as well as to extend a helping hand to various schools in improving the professional excellence of teachers and quality of schools led to the idea of setting up this Education Academy- Kendriya Vidyalaya Sangathan Retired Employees Education Academy (KVS-REEDAC)

VISION

To educate and empower teachers to facilitate fruitful learning.

MISSION

KVS- REEDAC, through various services and training programmes will augment the professional growth of teachers leading to holistic development of children and enhancing the academic ambience of schools.

OBJECTIVES

- To help teachers to go beyond the text book and gain an understanding of how to imbibe in the learners an attitude for lifelong learning through the development of social skills, problem solving approaches , research initiatives and digital technology.
- To encourage practicing teachers to apply a variety of pedagogical approaches to make their lessons appealing and interesting to new generation learners.
- To guide teachers to develop practical skills required in designing lessons to meet the expected learning objectives.
- To sensitize teachers about the evolving societal needs like gender sensitivity, sustainable development and promotion of ethics.
- To hand hold new entrants to the teaching profession and mould them to effective classroom practitioners and high quality teachers possessing the knowledge and skills to inspire their learners to preserve curiosity and develop creative thinking.
- To visit schools regularly and monitor teacher performance through classroom observation, monitoring of teacher records and submit teacher appraisals to the Management.
- To assist the Management in School Audits to standardize Educational Practices across schools of the same Management.
- To provide support to the Management in establishing labs, processes of Affiliation and Accreditation.

WHAT WE OFFER

ACADEMICS

- a) In-service workshops for the teachers at the premises of the school for Primary , Secondary and Senior Secondary levels varying from 1 days to 5 days conducted by a team of well experienced and resourceful faculty.
- b) Leadership Training for Principals, Vice Principals, Head Mistress and Coordinators
- c) Academic Audit of schools to assess quality of teaching- learning process, teacher quality, learning environments and provide feedback to the school Principals/ Managements.
- d) Mentoring Services - The faculty will provide support to the teachers in Class Room Teaching Lesson Planning, Evaluation and Content clarification as per the requirement of the Institution.

OTHERS

- a) Assistance in the recruitment of qualified and reputed teachers if the management requires. The discretion of selecting teachers will however remain with the Management and the Academy will not interfere.
- b) Assistance in CBSE Affiliation and Accreditation process and establishment of labs.

The Academy proposes to conduct Workshop for all categories of Teachers in schools located in South India as per the following programme.
