Programme by

KVS - REEDAC

St Paul's Public
school

Through mentoring, teachers:

- build a clear picture of the student and their interests
- identify what and how the student is thinking and learning
- support student assessment practices
- track the development of the teaching and learning skills and dispositions
- assess the effectiveness of the learning environment on the student's learning
- plan learning engagements for students

“

Mentoring is a brain to pick,
an ear to listen, and a push
in the right direction.

John C. Crosby
